Why You Should Buy Guaranteed Roofing

When you buy roofing you want durability as well as shelter. You want to know that it will last long enough to make its average cost per year a reasonable figure.

That is why Certain-teed should appeal to you. For, when properly laid, Certain-teed Roofing is guaranteed for 5, 10 or 15 years, according to weight.

The guarantee adequately protects your investment, but it does not accurately measure Certain-teed's life. In fact no one knows just how durable Certain-teed is, because in no case has it

ever been known to wear out on the roof.

And Certain-teed is more than durable. It is weather-proof, fire-retarding and spark-proof. It effectively shelters your property.

With all these advantages, Certain-teed Roofing costs less to buy, less to lay and less to maintain, than any other type of good roofing.

See your dealer about Certain-teed. He either has it or can get it quickly from a nearby Certain-teed distributing center.

ROLLA L. TIBBETS HERE ON FURLOUGH

Rolla L. Tibbets arrived the latter part of the week from Walter Reed hospital, Washington, D. C., to spend a 90 days' furlough with his sisters, Mrs. Frank Rowden and Mrs. John Breece.

Mr. Tibbets was one of the unfortunates to be wounded in the world war. He served in Company E., 47th Infantry, one year, eleven months and six days, and was wounded in the battle of Argonne Forest, September 24, 1918. He was wounded when a shrapnel went through his nose and the left side of his face, causing him to be partly paralyzed in his left arm. His left limb was wounded so badly that it had to be amputated. He has been in eight different hospitals in nineteen months, and after spending the furlough here, will return to the hospital at Washington, D. C.

Mr. Tibbets says his experiences were varied and many, and that he is very glad to be home with his relatives and many friends again.

Doss school closed Friday, and the teacher, Mrs. Delia Brite, has returned to Monett, with her little daughter, Anthret. Mrs. Brite will attend summer term of Teachers College at Springfield.

SHOE FACTORY MAKES PROPOSITION

St. Louis Corporation Offers to Come to Monett for a Bonus of \$50,000 Cash.

The Juvenile Shoe Corporation of St. Louis is looking for location for a branch shoe factory and the Monett Commercial Club has been in communication with their president, S. A. Reith, in regard to terms.

W. S. Perry, the local secretary, has received a proposition from Mr. Reith in which he asks a bonus of \$50,000 cash to establish a factory here.

As an inducement for the bonus, the corporation agrees to pay out in wages not less than \$750,000 within ten years. Their payroll at Carthage at present is running over \$150,000, while they agreed to pay out \$75,000 a year.

Mr. Reith said: "In considering this proposition your merchants should consider the fact that about every dollar paid in wages is spent in the community. If we pay out \$75,000, the net profit to your merchants and house renters should be at least 30 per cent. In other words, if you enter into this proposition with us you will be getting a payroll of not less than \$750,000 at six and one-half per cent."

The Juvenile Shoe Corporation is perfectly reliable and lives up to whatever agreements it makes in factory towns. Should Monett be able to raise the bonus, there is no doubt that the town would gain a great industry. Aurora had the same proposition from the company, but are considering the proposition of another shoe factory which will require a bonus of \$75,000.

POLAND CHINA BOAR SELLS FOR \$40,000

The record price for a Poland China boar has again been broken. W. H. Ellsworth, Goldfield, Ia., paid \$40,000 for The Yankee in the recent sale of Williams Brothers, Villisca, Ia. This exceeds the \$30,000 paid for Designer by D. C. Loneragan & Sons.

A Poland China publication says: "The Yankee is a little brother to the world's grand champion boar, The Pilot, and is the sire of a remarkable line of herd boars and sows, not the least of which is The Rainbow, recently sold by M. A. Dowling to H. M. Meneough. Mr. Ellsworth has secured in this wonderful individual and sire not only one of the best liked but one of the most proven individuals of the breed."—Joplin Globe.
